Hi Oscar,
How are you? Last weekend was fantastic! There was a big music festival in our city, and my cousin Ayla and I were there on Saturday. The weather was cold, but the audience was very warm and friendly. There were five stages. The jazz stage was my favourite because the musicians were really talented. Ayla prefers rock, so she was at the rock stage for two hours. The food stalls were expensive, but the food was delicious. We were very tired at the end of the day, but we were happy.
